This matter comes before the Public Service Commission of South Carolina (the Commission) on Cross-Motions for Summary Judgment filed in this Docket by South Carolina Electric & Gas Company (SCE&G) and Aiken Electric Cooperative, Inc. (Aiken). SCE&G had requested that its motion (which concerns the issue of mootness) be argued during the time that was originally reserved for the evidentiary hearing in this matter, January 25, 2006 at 10:30 a.m., and that the motion be argued in lieu of the evidentiary hearing on that date. The Office of Regulatory Staff (ORS) consented to this procedure. Aiken subsequently filed its Motion for Summary Judgment, and also agreed with the proposed procedure.

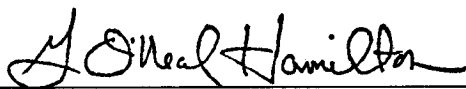

Since the Motions involved could possibly resolve a portion or all of the case, we agree with and grant the request of the parties. The Cross-Motions for Summary Judgment shall be argued on January 25, 2006 at 10:30 a.m., in lieu of holding the evidentiary hearing.

This Order shall remain in full force and effect until further Order of the Commission.
